

Jungle Yoga & Meditation Retreat

at Khao Sok Silver Cliff Resort

Welcome to Silver Cliff Resort, an oasis of tranquility in the heart of Khao Sok National Park

Surrounded by the unspoilt jungle and wilderness of Khao Sok National Park, Silver Cliff Resort is a perfect place for you to leave the stress of the present days behind and focus on your own personal development, while exploring the best of what Khao Sok has to offer.

At our resort, we strive to be eco-friendly, sustainable and community focused, embracing and living with the nature of this amazing place. During these difficult times, we have decided to reach out to the large community of foreigners and Thais whose holiday plans have been interrupted and are, therefore, remaining in Thailand. Silver Cliff Resort is opening its doors in June, July and August for yoga and meditation retreats. We will guide you on your journey to better physical and mental well-being, strength and fitness, in order to carry you into a new phase of your life.

– Karen Spackman, Resort Manager

MIND, BODY & SOUL

Our programme is open to all ages and abilities. To make the yoga practice enjoyable and beneficial for everyone, our yoga teacher will predominantly follow beginner-intermediate level. However, we will be able to adapt the yoga level to the group ability. We tend to keep our yoga classes smaller, providing room for personal development and relaxation in the lushest greenery of Khao Sok.

Your guide on your Jungle Yoga & Meditation Retreat journey will be a passionate and experienced yogi Rossi Rossukol. Local to Khao Sok, Rossi has been practicing yoga for over 4 years, qualifying as a teacher and instructor 2 years ago. Having studied with Buddhist monks in temples across Thailand, her practice focuses on strength building, embracing your spiritual awareness and meditation. The majority of yoga sessions will take place at Rossi's purpose-built jungle sala.
